

Counselors Connect Meetings

To provide professional development, networking and support for K-12 counselors/educators.

Session #2

February 8, 2012

8:00—11:30 am

at Calhoun ISD

**Mitch Fowler, DataDirector Coordinator, CISD
Tony Warren, Counselor Consultant, CISD**

DataDirector and Fun Technology Tips and Tricks for School Counselors

DataDirector:

This presentation will feature:

- An overview of the navigation of DataDirector
- How to access and use student profile data
- How to build a custom report with academic, behavioral and demographic data
- How to create an assessment to use in classroom observations
- How to create a program to track a cohort of students

Fun Technology Tips and Tricks for School Counselors:

Learn tips and tricks to engage students and collect data. Learn and discuss social networking sites such as NING and Twitter and how to use them to interact with stakeholders. Learn about interactive tools such as TurningPoint, Wiffiti, Polleverywhere and Zoomerang. We will also cover Wolframalpha, Diigo, Dropbox, Contxts, Ipadio, QR codes and more. This presentation will be interactive and fun.

Bring your
cell phones
and
laptops!
