

MICHIGAN WORKS! & THE UNEMPLOYMENT INSURANCE AGENCY ARE TWO SEPARATE AGENCIES

Even though Michigan Works! and the Unemployment Insurance Agency (UIA) are two separate agencies, Michigan Works! has agreed to provide Unemployment Insurance Agency documents as a way to better serve our shared customers. The Michigan Works! staff has **not** been trained to answer unemployment insurance questions, therefore, we ask that you please refer all questions regarding unemployment insurance directly to the Unemployment Insurance Agency.

You may also find answers to your questions on one of the many UIA documents, such as the one attached, that are on the UIA website (www.michigan.gov/uia) or may be available at this Michigan Works! Service Center.
